ABOUT T&T CO., LTD.

T&T Co., Ltd was originally established on 17–Apr–1989 functioning primarily in the tourism industry. In 1993, T&T was one of the first companies to obtain business license for doing inbound & outbound services granted by Vietnam National Administration of Tourism.

In 1994, T&T had a major expansion with the establishment of T&T Aviation entity, specializing in ground handlings for charter flights and private jets, fully authorized by Civil Aviation Administration of Vietnam. T&T Aviation is also General Sales Agent (GSA) for Austrian Airlines, Gulf Air and Royal Air Cambodge with the mission of setting up national passenger sales network for them in Vietnam. Our company is proud of being one of Top Ten Agents for Vietnam Airlines as well as international airlines for many years.

Followed the success of two scopes in Travel and Aviation, the year of 1997 marked the opening of a new business named T&T Security which specializes in design and supply of specialized utility systems – security and fire–fighting systems. From the beginning, T&T Security started up with 2 significant projects which were Alarm Monitoring Centre and Fire Fighting System for the biggest Thermal Power Plan Phu My I. Till now, there are thousands of projects named with T&T Security inthe country.

Currently, three subsidiaries of T&T Co., Ltd. which are **T&T Travel, T&T Aviation** and **T&T Security** are on their ways of development with many high achievements as well as well–recognition by our wide range of customers. Knowing that customer satisfaction has always been the most decisive factor in the success of T&T, our company is striving to maintain our professional competency and commitment as a way to express our deep gratitude for our precious customers' trusts.
